BUDDY BACKPACKS

United Way of Northeastern Minnesota's Buddy Backpack program provides weekend meal kits to 850 food-insecure Iron Range children. Without these meal kits, these children would return to school on Mondays after a weekend without enough to eat, many complaining of stomach cramps, headaches, dizziness and inability to focus on schoolwork. The program provides a backpack filled with nutritious, child-friendly, non-perishable food each Friday to enrolled children in need as they head home from school. Buddy Backpacks provides critical nutrition that nourishes children so they're ready to learn after a weekend break.

Thank you for your support!
