## INDEPENDENT AUDITORS' REPORT

Board of Directors United Way of Northeastern Minnesota, Inc. Chisholm, Minnesota

## **Report on the Financial Statements**

We have audited the accompanying financial statements of United Way of Northeastern Minnesota, Inc., which comprise the statements of financial position as of March 31, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Northeastern Minnesota, Inc., as of March 31, 2016 and 2015, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary program services is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

#### **Organization**

United Way of Northeastern Minnesota, Inc. (the Organization) is a nonprofit organization whose mission is to unite and focus the communities of Northeastern Minnesota in creating measurable results to improve people's lives and strengthen families. To help fulfill this mission, the Organization coordinates numerous special events and also conducts an annual fundraising campaign, where pledges are received from both corporations and individuals. It is governed by a volunteer board of directors drawn from throughout the community, with separate advisory board in Koochiching County. A summary of the Organization's significant accounting policies follows:

#### Basis of Presentation

The financial statements of United Way of Northeastern Minnesota, Inc., have been prepared on the accrual basis of accounting. Receipts are recorded as an increase in unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor imposed restrictions. Accordingly, net assets of the Organization and changes therein, are classified and reported as follows:

**Unrestricted** – Resources over which the board of directors has discretionary control. The board of directors has designated unrestricted net assets for equipment and funds held by foundation. At March 31, 2016 and 2015, all net assets were considered unrestricted.

**Temporarily Restricted** – Those resources subject to a donor-imposed restriction which will be satisfied by actions of the Organization or the passage of time.

**Permanently Restricted** – Those resources subject to a donor-imposed restriction that they be maintained permanently.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Investments**

Investments consist of certificates of deposit which are recorded at amortized cost which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment income or loss, including gains and losses on investments, interest and dividends, is included in the statement of activities as increases or decreases in unrestricted net assets unless the income is restricted by donor or law.

## NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Contributions Receivable**

All contributions receivable are due in less than one year. Management determines the allowance for uncollectible accounts by using historical collection experience applied to pledges received by the Organization and by identifying troubled accounts. Contributions receivable are written off when deemed uncollectible. Recoveries of contributions receivable previously written off are recorded when received. Conditional promises to give are not included as support until the conditions are substantially met.

#### **Equipment and Depreciation**

The Organization capitalizes all expenditures of property and equipment with a useful life of greater than one year and a unit cost equal to or greater than \$500. Equipment is recorded at cost, or in the case of contributed property, at the fair value at the date of contribution. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of office equipment are recorded as unrestricted support.

Expenditures for renewals and improvements are capitalized while the cost of maintenance and repairs is charged to expense as incurred. When assets are retired, or otherwise disposed of, the cost and related accumulated depreciation is removed from the accounts and any resulting gain or loss is reflected in income for the period.

Depreciation is determined using the straight-line method over the estimated useful lives, which ranges from 5 - 7 years.

	 2016	2015		
Equipment	\$ 53,170	\$	52,023	
Less: Accumulated Depreciation	 (26,123)		(20,205)	
Net Equipment	\$ 27,047	\$	31,818	

## Allocations and Designations Payable

Allocations and designations payable are campaign contributions received by the Organization from the annual campaign that will be distributed to various agencies.

## **Deposits Held for Others**

Deposits held for others are monies received by the Organization as a result of managing funds received for the Cancer Walk and Serenity House. When funds are received they are held in cash and recorded as a liability. Substantially all monies received are distributed as instructed by the Cancer Walk's governance committee and Serenity House's board of directors, which reduces the liability.

## NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **Revenue Recognition**

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

#### <u>Gifts in Kind – Good 360</u>

Gifts in kind consist of donated materials which are reflected as in-kind contributions at their estimated value at the date of receipt. Donated services are recognized to the extent that such services meet specific criteria with respect to creating or enhancing nonfinancial assets or services which require specialized skills. A substantial number of volunteers have donated significant amounts of time to the Organization's programs and fundraising campaigns which did not meet the criteria for recognition in the accompanying financial statements.

## Fair Value Measurements

The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by generally accepted accounting principles, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

*Level 1* – Quoted prices for identical assets or liabilities in active markets to which the Organization has access at the measurement date.

*Level 2* – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in markets that are not active;
- observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
- inputs derived principally from, or corroborated by, observable market data by correlation or by other means.

*Level* 3 – Unobservable inputs for the asset or liability should be used to measure the fair value to the extent that observable inputs are not available.

The fair value of the beneficial interest in assets held by others is determined using the Level 3 inputs and the fair value of the equity securities is determined using the Level 1 inputs described above.

## NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## Functional Allocation of Expenses

The costs of providing the various services and other activities have been presented on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Concentration of Credit Risk

Cash includes FDIC insured amounts on deposit at a financial institution which may at times exceed the federally insured amount. The Organization periodically evaluates the risk of exceeding insurance levels and may transfer funds as it deems appropriate.

#### Income Tax Status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state income tax laws. The Organization is not a private foundation and contributions to the Organization qualify as a charitable tax deduction by the contributor.

Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that required adjustment to the financial statements.

## Effect of Economic Conditions on Contributions

The Organization depends on contributions for a significant portion of its revenue. The ability of the Organization's contributors to continue giving amounts comparable with prior years may be dependent upon future economic conditions and continued deductibility for income tax purposes of contributions to the Organization. While the Organization's board of directors and management believe the Organization has the resources to continue its programs, its ability to do so and the extent to which it continues may be dependent on the above factors.

## Subsequent Events

Management has evaluated subsequent events through October 11, 2016, the date the financial statements were available to be issued.

#### NOTE 2 FUNDS HELD BY FOUNDATION

United Way of Northeastern Minnesota, Inc. has established the United Way of Northeastern Minnesota Forever Fund at the Minnesota Community Foundation. Pursuant to the terms of the agreement establishing this fund, property contributed to Minnesota Community Foundation is held as a separate fund designated for the benefit of United Way of Northeastern Minnesota, Inc. In accordance with its spending policy, the Foundation makes annual distributions from the Fund to United Way of Northeastern Minnesota, Inc.

The portion of the Fund contributed by the Organization is reported as an asset of the Organization. The Organization has granted variance power to the Foundation. This variance power allows the Foundation to move funds received directly by the Foundation from the Fund to other Foundation endowment funds if deemed appropriate. The net income of the Fund shall be distributed at least annually to the Organization. The fund is recorded at fair value, which is estimated as the fair value of the underlying Fund assets. The valuation technique used by the Organization is a Level 3 measure.

The Organization receives various donor pledges that are designated for specific beneficiaries. The Organization is considered an agent for the donor designated beneficiaries and, as such, records amounts received from the donor as a liability to the designated beneficiaries. The donor designated pledges are not included in revenue of the Organization. During the years ended March 31, 2016 and 2015, the Organization raised \$16,544 and \$19,754, respectively, of donor designated pledges, of which amounts due to the designated beneficiaries are included in the above table.
