INDEPENDENT AUDITORS' REPORT

Board of Directors United Way of Northeastern Minnesota, Inc. Chisholm, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of United Way of Northeastern Minnesota, Inc., which comprise the statements of financial position as of March 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors United Way of Northeastern Minnesota, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Northeastern Minnesota, Inc., as of March 31, 2020 and 2019, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Clifton Larson Allen LLP

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of program services is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Organization

United Way of Northeastern Minnesota, Inc. (the Organization) is a nonprofit organization whose mission is to unite and focus the communities of Northeastern Minnesota in creating measurable results to improve people's lives and strengthen families. To help fulfill this mission, the Organization coordinates numerous special events and also conducts an annual fundraising campaign, where pledges are received from both corporations and individuals. It is governed by a volunteer board of directors drawn from throughout the community, with a separate advisory board in Koochiching County. A summary of the Organization's significant accounting policies follows:

Basis of Presentation

The financial statements of United Way of Northeastern Minnesota, Inc., have been prepared on the accrual basis of accounting. Receipts are recorded as an increase in net assets with or without donor restriction depending on the existence or nature of any donor imposed restrictions. Accordingly, net assets of the Organization and changes therein, are classified and reported as follows:

Net Assets Without Donor Restrictions — Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for equipment and funds held by foundation.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and release from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as Released from Restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Investments</u>

Investments consist of certificates of deposit which are recorded at cost which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment income or loss, including gains and losses on investments and interest and dividends, is included in the statement of activities as increases or decreases in net assets without donor restriction unless the income is restricted by donor or law.

Contributions Receivable

All contributions receivable are due in less than one year. Management determines the allowance for uncollectible accounts by using historical collection experience applied to pledges received by the Organization and by identifying troubled accounts. Contributions receivable are written off when deemed uncollectible. Recoveries of contributions receivable previously written off are recorded when received. Conditional promises to give are not included as support until the conditions are substantially met.

Property and Equipment and Depreciation

The Organization capitalizes all expenditures of property and equipment with a useful life of greater than one year and a unit cost equal to or greater than \$1,000. Property and equipment are recorded at cost, or in the case of contributed property, at the fair value at the date of contribution. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of office equipment are recorded as net assets without donor restriction.

Expenditures for renewals and improvements are capitalized while the cost of maintenance and repairs is charged to expense as incurred. When assets are retired, or otherwise disposed of, the cost and related accumulated depreciation is removed from the accounts and any resulting gain or loss is reflected in income for the period.

Depreciation is determined using the straight-line method over the estimated useful lives, which ranges from 5 – 30 years.

	2020	2019	
Equipment	\$ 86,512	\$ 78,921	
Building	493,550	493,550	
Building Improvements	630,817	630,817	
Less: Accumulated Depreciation	(93,511)	 (48,433)	
Net Property and Equipment	\$ 1,117,368	\$ 1,154,855	

Allocations and Designations Payable

Allocations and designations payable are campaign contributions received by the Organization from the annual campaign that will be distributed to various agencies.

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deposits Held for Others

Deposits held for others are monies received by the Organization as a result of managing funds received for the Cancer Walk and Serenity House. When funds are received, they are held in cash and recorded as a liability. Substantially all monies received are distributed as instructed by the Cancer Walk's governance committee and Serenity House's board of directors, which reduces the liability.

Revenue Recognition

Revenue is recognized as the performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied at a point in time is recognized when goods or services are provided and the Organization does not believe they are required to provide additional goods or services to the client.

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets.

Gifts in Kind - Good 360

Gifts in kind consist of donated materials which are reflected as in-kind contributions at their estimated value at the date of receipt. Donated services are recognized to the extent that such services meet specific criteria with respect to creating or enhancing nonfinancial assets or services which require specialized skills. A substantial number of volunteers have donated significant amounts of time to the Organization's programs and fundraising campaigns which did not meet the criteria for recognition in the accompanying financial statements.

Functionalized Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimate of time, effort, and percentage of total revenues under the category of which the expenditures are coded.

Concentration of Credit Risk

Cash includes FDIC insured amounts on deposit at a financial institution which may at times exceed the federally insured amount. The Organization periodically evaluates the risk of exceeding insurance levels and may transfer funds as it deems appropriate.

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Tax Status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state income tax laws. The Organization is not a private foundation and contributions to the Organization qualify as a charitable tax deduction by the contributor.

Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that required adjustment to the financial statements.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 21, 2020, the date the financial statements were available to be issued.

Effect of Economic Conditions on Contributions

The Organization depends on contributions for a significant portion of its revenue. The ability of the Organization's contributors to continue giving amounts comparable with prior years may be dependent upon future economic conditions and continued deductibility for income tax purposes of contributions to the Organization.

While the Organization's board of directors and management believe the Organization has the resources to continue its programs, its ability to do so and the extent to which it continues may be dependent on the above factors.

Change in Accounting Principles

In May 2014, FASB issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606). Subsequent to May 2014, the FASB has issued six ASUs to clarify certain matters related to Topic 606. Topic 606 supersedes the revenue recognition requirements in FASB ASC 605, Revenue Recognition, and requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The updates address the complexity and understandability of revenue recognition and provide sufficient information to enable financial statements users to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers.

The financial statements reflect the application of ASC 606 guidance beginning in fiscal year 2019. No cumulative-effect adjustment in net assets was recorded because the adoption of ASU 2014-09 did not significantly impact the Organization's reported historical revenue.

Additionally, ASU 2018-08 was issued to clarify accounting guidance for contributions received and contributions made.

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Change in Accounting Principles (continued)

The amendments to this ASU assists entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, *Not-for-Profit Entities*, or as an exchange (reciprocal) transaction subject to other guidance and (2) determining whether a contribution is conditional. The financial statements reflect the application of ASU 2018-08 beginning April 1, 2019. The new guidance does not require prior period results to be restated.

In November 2016, FASB issued ASU 2016-18, Statement of Cash Flows (Topic 230) Restricted Cash. This ASU was issued to clarify guidance on the classification and presentation of restricted cash in the statement of cash flows and reduce diversity in practice.

The amendments of this ASU require that a statement of cash flows explain the change during the period in the total cash, cash equivalents, and restricted cash or restricted cash equivalents. Therefore, restricted cash and restricted cash equivalents are included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statements of cash flows. The financial statements reflect the application of ASU 2016-18 using a retrospective approach to each period presented.

NOTE 2 FUNDS HELD BY FOUNDATION

United Way of Northeastern Minnesota, Inc. has established the United Way of Northeastern Minnesota Forever Fund at the Minnesota Community Foundation. Pursuant to the terms of the agreement establishing this fund, property contributed to Minnesota Community Foundation is held as a separate fund designated for the benefit of United Way of Northeastern Minnesota, Inc. In accordance with its spending policy, the Foundation makes annual distributions from the Fund to United Way of Northeastern Minnesota, Inc.

The portion of the Fund contributed by the Organization is reported as an asset of the Organization. The Organization has granted variance power to the Foundation. This variance power allows the Foundation to move funds received directly by the Foundation from the Fund to other Foundation endowment funds if deemed appropriate. The net income of the Fund shall be distributed at least annually to the Organization. The fund is recorded at fair value, which is estimated as the fair value of the underlying Fund assets. The valuation technique used by the Organization is a Level 3 measure.

NOTE 3 ALLOCATIONS AND DESIGNATIONS PAYABLE

	2020	 2019
Community Care Allocation Payable	\$ 279,015	\$ 379,924
Donor Designated Pledges	8,235	 12,974
Total	\$ 287,250	\$ 392,898

The Organization receives various donor pledges that are designated for specific beneficiaries. The Organization is considered an agent for the donor-designated beneficiaries and, as such, records amounts received from the donor as a liability to the designated beneficiaries. The donor-designated pledges are not included in revenue of the Organization. During the years ended March 31, 2020 and 2019, the Organization raised \$8,235 and \$12,974, respectively, of donor-designated pledges, of which amounts due to the designated beneficiaries are included in the above table.

NOTE 6 RETIREMENT PLAN

The Organization has a Simple IRA plan qualified under Section 408 of the Internal Revenue Code (IRC) for all employees who meet certain eligibility requirements. The Organization contributed \$9,563 and \$8,346 to the Plan during the years ended March 31, 2020 and 2019, respectively. Employees may also elect to make salary deferral contributions to the plan generally up to a maximum amount allowed by the IRC limits.

NOTE 7 FAIR VALUE MEASUREMENTS

The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value.

This hierarchy, established by accounting principles generally accepted in the United States of America, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

Level 1 – Quoted prices for identical assets or liabilities in active markets to which the Organization has access at the measurement date.

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in markets that are not active;
- observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
- inputs derived principally from, or corroborated by, observable market data by correlation or by other means.

Level 3 – Unobservable inputs for the asset or liability should be used to measure the fair value to the extent that observable inputs are not available.

The Organization's investments at fair value, which is comprised of Funds held at Lincoln Financial and Minnesota Community Foundation, as of March 31, 2020 and 2019 are as follows:

	2020							
	Level 1		Level		Level 3		Total

Net Minimum Capital Lease Payable	\$	7,224	

NOTE 9 CONCENTRATIONS

Two organizations account for approximately 51% of gross campaign results revenue for the year ended March 31, 2020.

Three organizations account for approximately 65% of net contributions receivable as of March 31, 2020.

Two organizations account for approximately 54% of gross campaign results revenue for the year ended March 31, 2019.

Two organizations account for approximately 67% of net contributions receivable as of March 31, 2019.

NOTE 10 INFORMATION REGARDING LIQUIDITY AND AVAILABILITY

The Organization strives to maintain liquid financial assets sufficient to cover 180 days of general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit, money market funds, and the United Way of Northeastern Minnesota Forever Fund at the Minnesota Community Foundation.

Investments with liquidity horizons greater than one year include funds invested in certificates of deposit and the United Way of Northeastern Minnesota Forever Fund. The Organization has access to the certificates of deposit if needed, but would pay a penalty for early withdrawal. The funds held at the United Way of Northeastern Minnesota Forever Fund can be withdrawn up to 20% per year if needed, however the Organization's intention is to only withdraw the earnings and interest each year.

The following table reflects the Organization's financial assets as of March 31, 2020 and 2019, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual restrictions or internal board designations.

NOTE 11 RISKS AND UNCERTAINTIES

Subsequent to year-end, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Organization, COVID-19 may impact various parts of its 2021 operations and financial results, including restrictions on the organization by the governor, additional costs to the Organization, investment performance and potential loss of revenue due to reduction in certain revenue streams. Management believes the Organization is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events occurred subsequent to year-end and are still developing.

Subsequent to year-end, the Organization received a loan in the amount of \$52,850 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the federal Paycheck Protection Program. These amounts may be forgiven subject to compliance and approval based on the timing and use of these funds in accordance with the program.
